

# Vinyl Decal Application Instructions

[www.LicketyCut.com](http://www.LicketyCut.com)

1. Clean surface with a lint free cloth.  
Remove dirt, lint, dust and fingerprints.

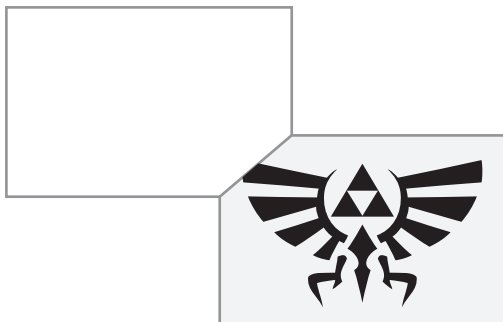

2. Place decal side up on a flat surface.

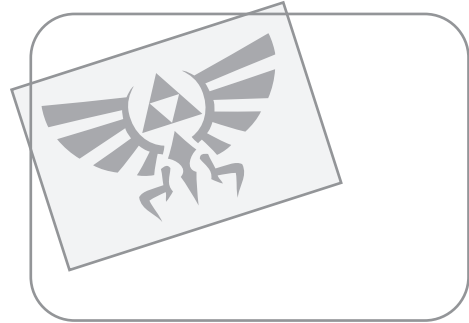

Slowly peel away from white paper backing.

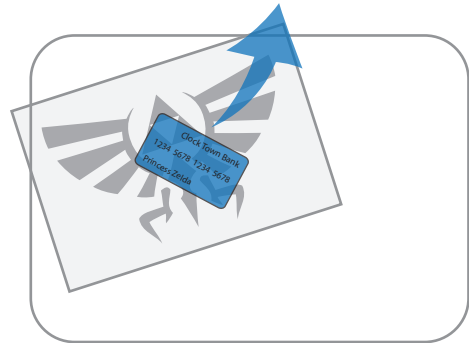

Decal should remain on clear transfer sheet.

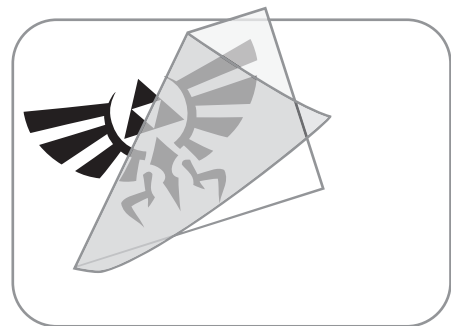

3. Carefully align and place decal on surface.  
Decal will stick as soon as it touches down!

4. Work from the center out.  
Apply pressure with squeegee or credit card.  
Slide firmly across surface to remove bubbles.

5. Slowly and carefully peel away transfer tape.  
Make sure decal remains behind.

All of our Decals are cut from 3.0 mil Premium 5 - YEAR Calendered Vinyl.
